

Fundraising campaign

DATO's Online Fundraising Campaign is underway, said Peter Ripley, DATO president, in an email to supporters.

Ripley said, participating is easy, simply invite friends and family to shop at the DATO online magazine store. People who enjoy magazines can save up to 85 percent on their favorite publication subscriptions, he said. There are more than 650 magazines to choose from. DATO in return receives 40 percent of the total purchase amount. When you invite 12 people to check out the online magazine promotion and sell one magazine subscription, you get a free movie ticket. For a limited time, there are 3 iPhones and one 42-inch flat screen TV to be given away to top sellers, Ripley said.

DATO provides funding for wheelchair repair and help with veterinary costs for service animals. For more information, please contact Peter Ripley at dato@lycos.com or call the Technical Support Line toll-free at **1-866-825-2921**.

Autism Conference

Career planning

A two-day Autism Career Planning conference is being held March 25-26 at the Holiday Inn Portland Airport, Portland, Oregon.

The conference features three presenters. James Emmett, a national leader in development of employment services for people with autism spectrum disorder. Karen Steffan has worked in the field of rehabilitation and transition for more than 26 years. Christopher Simler, chief executive officer for Autism Consultant for Integrated Behavioral Systems, Inc, is a trained behavioral scientist working for more than 13 years with school districts, and non-profits.

The conference includes career planning, career assessment and workplace strategies the first day. The schedule for day two includes; social communications in the workplace and implementing the career plan.

The conference is \$120 for parents and \$205 for professionals. Registration information at **920-749-0332** or email spectrumtrainingsystems@yahoo.com
